'No no, you will not, and I shall bless you all my life But I will say no more," at which t left her

Next morning before going on duty I received by post a small wooden box. On opening it I found a bundle of bank notes and a letter the notes being in fifties to the value of £1,000, at the sight of which my knees shook under me, the her head assentingly. As she did so I and I hearly fainted. Here was a preperspiration rolled from my forehead dicament but I soon revived and prococcled to read the letter
"DEAR MADAM - My wife informs me

i write second wardress of one of the have received a letter from her, which perfority to her fellow inmates I con-fess that I had made her lot easier in a with many thanks. Burn this and do good many ways, so on this particular not use the notes for some time, for fear occasion I needed her help to assort of suspicion at any rate, not until you hear from me again. Tell my wife one word. Yes. I ask this as a favor."
I dropped the letter in the fire, and

then like a guilty thing I hid the notes denly my charge burst into a fit of sob- When I commenced duty and saw the anxious mother she looked at me with "Come, this will never do, what is the word "Yes," the tears rolled down her matter? I said quietly "Suppose the cheeks "My dear boy, then, is better; I governor were to come in, what should will trouble no more." Heft ber, thinking she might as her boy was better, She however, continued to clasp me settle down quietly; consequently my mind became easter

Another day passed and I left her once more. All that night it was very foggy, and next morning I was to my consternation informed that No. 18 had escaped during the night, having loosened the bars of her window, and being a slender woman had squeezed through on to the sloping roof of a building, down which as I could, 'all are interable who come she had crept, thence down a ladder which had been left by the painters, and being then in the open yard of the prison she had taken the ladder to the wall, on gaining the top of which some help had been afforded from the outside, possibly by a rope ladder There all trace was

> Of course I was examined, with others, before the governor, but nothing could be elicited at which I was much relieved and thankful and I never enjoyed getting home more than I did that night. Matters went on as usual and I had

> ot touched my notes; in fact, I seemed to care nothing for them, when one morning about six weeks later, I received a bulky package, addressed in a lady's hand bearing the Canadian postmark. I broke the seals quickly and found to my intense surprise, bank notes again to the vaine of £1,000. The letter inclosed explained everything:

> MY DEAR FRIEND-You will no doubt have wondered many times, with others, what had become of No. 18. I am now in Canada with my husband and dear little boy who is now, thanks to your aid and God's blessing, quite well.

> "You no doubt know how I escaped.
>
> My husband was to wait for me outside, which I knew would be the same night on the day you gave me his message. Yes. I expect you thought I had given up my idea. I descended by a rope ladder which my husband had thrown to the top of the wall and behind a fact trotter was soon in a trusted friend's house, chaqued in my child's arms.

"May you never be separated from your children I must tell you in confidence that my husband is the third son of a nobleman and was unfortunately led into difficulties and got into the toils only a few years off and I have two children to think of and am a widow."

as you know and thus did not involve She was quiet at this for a time and my husband. I was aware that when She was quiet at this for a time and iny time in prison was over that we should leave the country, as my husband had confessed all to his father with a desire to mend, and he promised to start us to Canada with £5,000. Then my boy fell ill and you know the rest.

"The first notes you received from my husband, I may at once say, are all forgeries. Pray forgive me my ruse, but it was the only way I could see out of the difficulty. I heartily hope you have not used any, but awaited this letter.

"Burn them, every one without fail, and if I might advise you, as possibly "Oh. yes. I'll promise that," I replied. you may have some compunction to use to humor her, for I thought she must be even the good notes for yourself, invest them for your children, and may it be a blessing to them Goodby, my friend; she said and just upon it the bell rang my little son sends his love and a kiss to to close work, and the prisoners began the kind lady who let his mamma come to see him when he wanted her so badly.
